

# Stonegate Designs

Stonegate Designs has been producing cast stone since 1995. Our highest quality is the result of many years of experience. We have a wide variety of cast stone products, that allow us to be the best option for the home builders and constructors. We only use raw material of the highest quality in the manufacture of our artisan product, reason why we are leaders.

Our founder Ruben Anguiano is a mexican architect concerned about offering the best market prices and strive to exceed the needs of our customers

architectural cast stone

We are specialists in design fireplaces, window and door surrounds, wall copings, pool copings, columns, balustrades, interior trims, and much more. We can produce architectural trim, ornamentation and functional features for use on your custom house or commercial buildings.
